

Talking about your own future

Talk to a partner about your future! First, person A asks the questions and person B answers. Then swap roles!

Use your mind map (**M1**) and word lists (**M2**) for support!

A

Where do you want to live later?
How do you want to live later?

Which people do you wish to have around you?

What hobbies and interests do you have?
What hobbies would you like to do in your free time?

Who do you want to work with?
What is important to you in your job?

B

(Later) I want to live in ...

I wish to have ...
I like to be ...

I am interested in ...
In my free time I would like to do ...

I would like to work with...
