Definitions of needs

2. Match the pictures with the explanations.

You can say what's good for you; what you want to do now; you can decide independently.	
People laugh and are joyful.	
We can rely on each other and keep intimate things to ourselves. You can tell a person everything and they are sympathetic.	
Someone listens to you. People respect each other.	
You stick together and do something together.	
You feel safe and secure. You can be yourself.	
Someone understands how you feel.	
Someone likes you just the way you are and loves you.	
Someone cares for you and comforts you.	
Everyone gets what they need. Everyone is treated equally.
